Underground source Permit No. 11490

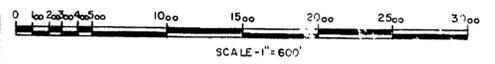

State of Nevada }
County of Elko } ss.

I, W.H. Settelmeyer, being first duly sworn, depose and say that this map consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made by me on the 12th day of November, 1958; that it truly and correctly represents the location and extent of the works used to divert water from an underground source, in Eureka County by the Campbell Dunphy Ranch, for irrigation purposes under application No. 12487. That the point of diversion, the location, size and grades of the diverting channel or conduit, location and description of all measuring devices, the location and extent of lands owned by the applicant upon which water applied for under application No. 12487 is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.

W.H. Settelmeyer
State Water Right Surveyor.

Subscribed and sworn to before me this 21st day of November, 1958.
