 I, Jack Asher, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from a survey made by me on September 27, 1955; that it truly and correctly represents the location and extent of the works used to divert water from PARKRUMP VALLEY ARTESIAN BASIN in NYE COUNTY, by PERRY L. BOWMAN for IRRIGATION purposes under Application No. 13875. That the point of diversion, the location of the diverting channel, and the location and extent of lands owned by the applicant upon which water applied for under said Application No. 13875 is used, together with the area and kind of culture in each 40 acre subdivision, are fully and correctly designated thereon.
