I, J.V. Caselli, being first duly sworn, depose and say that this map, consisting of one sheet, inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me between the 10th day of Sept. and the 11th day of Sept. 1958, that it truly and correctly represents the location and extent of the works to divert water from underground source, Ripling No. 1, in Nye County, by W.J. That the point of diversion, the location, size and grades of the diverting channel, the location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under application No. 15524 is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works are fully and correctly designated thereon.
