I, Walter G. Reid, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on July 31, 1963; that it truly and correctly represents the location and extent of the works used to divert water from underground sources, in Lyon County, by Alvin Billingsley Etux., for irrigation and domestic purposes under applications No. 15767 & 15769. That the points of diversion, the approximate location and size of the diverting channels, location and description of all measuring devices, the location and extent of lands owned by the applicant upon which water applied for under applications No. 15767 & 15769 is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.

Walter G. Reid
 State Water Rights Surveyor

Subscribed and sworn to before me this 5th day of Aug. 1963.
