I, O.L. Hussman, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 18th day of April, 1963; that it truly and correctly represents the location and extent of the works used to divert water from a well in Lyon County by Gene Robert and Lorraine Elsie Dahlin, Karl Arthur and Patricia Olson, and Ivar J. and Jennie G. Dahlin for irrigation purposes under application No. 16034. That the point of diversion, the location of the diverting channel and the location and extent of all lands owned or controlled by the applicants upon which water applied for under said application No. 16034 is used, together with the area and kind of culture in each 40 acre subdivision are fully and correctly designated thereon.

O.L. Hussman
