STATE OF NEVADA, }
 COUNTY OF ORMSBY } SS.

I, Walter G. Reid, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 24th day of March, 1961; that it truly and correctly represents the location and extent of the works used to divert water from Baldwin, Double, Fletcher, and Mud springs, in Mineral County, by Muller Bros., for irrigation and domestic purposes under application No. 16925, 16926, 16927, and 16928. That the point of diversion, the location, size and grades of the diverting channel, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under application No. 16925, 16926, 16927, and 16928 is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.

Walter G. Reid
 State Water Right Surveyor.

Subscribed and sworn to before me this 17th day of April, 1961.

Wanda Sherman
 Notary Public in and for Ormsby County, Nevada.
Commission Expires July 1, 1961
