STATE OF NEVADA SS
 COUNTY OF HUMBOLDT

I, William J. Newman, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 8th day of February, 1964; that it truly and correctly represents the location and extent of the works used to divert water from underground in Humboldt County, by ALFRED L. WOODARD and MARY M. WOODARD for irrigation and domestic purposes under application and permit no. 17172. That the point of diversion, the location, size and grades of the diverting channel, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under application no. 17172 is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.

William J. Newman
 State Water Right Surveyor No. 285

Subscribed and sworn to before me this 24th day of February, 1964

Donald W. Lighten
 Notary Public in and for Humboldt County, Nevada
