I, James L. Scholl, being first duly sworn, depose and say that this map, consisting of 1 sheet, has been correctly drawn to the designated scale from field notes of a survey made by me, (or under my supervision and direction), between the 28 day of December 1964, and the 13 day of January, 1965; that it truly and correctly represents the proposed location and extent of the works used to divert water from underground source, in Washoe County, James C. Sweger Don S. York for irrigation purposes under Application Number 17418. That the point of diversion, the location, size of the diverting channel, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under Application Number 17418 is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.
