STATE OF NEVADA
COUNTY OF WASHOE SS:

I, Ernest E. Muller, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 20 th. of August and the 9th. of September, 1966; that it truly and correctly represents the location and extent of the works used to divert water from an underground source in Washoe County by R.F. I. RAYMOND for irrigation and domestic purposes under application No. 18308; that the point of diversion, the location and size of the diverting pipes and channels, the location and extent of lands owned or controlled by the applicant upon which water applied for under Application No. 18308 is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.

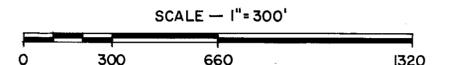

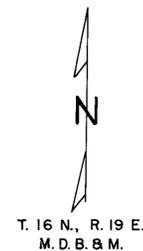

Ernest E. Muller
State Water Right Surveyor

Subscribed and sworn to before me this 21st. day of September, 1966.
