

SCALE: 1"=100'

Basis of Bearing: The north half of the east line of section 9 N. 00° 09' E.

I, Robert L. Fuller, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from the field notes of a survey made by me and completed on July 19, 1965, that it truly and correctly represents the location and extent of the works used to collect and divert water from Spring No 18720, located in the NE 1/4 of the NE 1/4 of Section 9, T.12 N., R.19 E., M.D.B.&M., County of Douglas, State of Nevada by Wallace M. and Annette M. Gesberg for domestic and irrigation purposes under application No. 18720. That the point of diversion, the location of the diverting works and the location and extent of all lands owned or controlled by the applicants upon which the water applied for under said application is used together with the land area and type of culture found thereon are fully and correctly described.

Robert L. Fuller
Nevada State Water Right Surveyor
No. 335

Subscribed and sworn to before me this 21st day of July, 1965.

John Stuber
Notary Public in and for Douglas County, Nevada.
