I, J. A. Millar, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on July 28, 1960; that it truly and correctly represents the proposed location and extent of the works used to divert water from an Underground Source in Lyon County, Nevada by F. A. Glock for irrigation and domestic purposes. That the proposed point of diversion, the ditch system, and the boundary of all lands, showing by forty-acre subdivisions the area proposed to be irrigated, are fully and correctly designated thereon.

J. A. Millar

Subscribed and sworn to before me this 29th day of July, 1960.
