I, Mark Chilton, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 23rd day of May, 1964; that it truly and correctly represents the location and extent of the works used to divert water from an underground source, in ELKO COUNTY, by JAMES R. HILLAM, for IRRIGATION purposes under Application Number 19055. That the point of diversion, the location, size of the diverting channel, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under Application Number 19055 is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.

Mark Chilton
