I, Walter G. Reid, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 27th day of March, 1965; that it truly and correctly represents the proposed location and extent of the works used to divert water from Sandstone Spring No. 1 and Sandstone Spring No. 2, in Clark County, by Vera Krupp, for irrigation and domestic purposes under Application Nos. 19243 & 19244. That the point of diversion, location, size of the diverting channel, the location and extent of lands owned or controlled by the applicant upon which water applied for under Application Nos. 19243 & 19244 is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.
