I, J.V. Caselli, being first duly sworn depose and say that this map consisting of 1 sheet, numbered from 0 to 1 inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me between the 11 day of December and the 12 day of December, 1971, that it, truly and correctly represents the proposed location and extent of the works to divert water from Underground Source, in NYE COUNTY by GERALD SHARP, for irrigation purposes, under Application No. 22080. That the point of diversion the location size of the diverting channel, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under Application No. 22080 is used together with the area and kind of culture in each 40 acre subdivision and the location and names of all other works or streams which are crossed or connected with said work are fully and correctly designated thereon.
