STATE OF NEVADA  
COUNTY OF DOUGLAS SS:

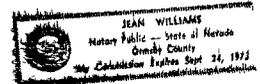

I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scales from field notes of a survey made by me on the 3rd. day of July, 1973; that it truly and correctly represents the location and extent of the works used to divert water from an underground source in Douglas County by GERALD D. and MARGARETHE L. Miller for IRRIGATION and DOMESTIC purposes under Application No. 22462. That the point of diversion, the location and size of the diverting pipe, the location and extent of the lands owned or controlled by the applicants upon which water applied for under said application is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works which are crossed by or connected with said works are fully and correctly designated thereon.
