I, J.V. Caselli, being first duly sworn, depose and say that this map consisting of 1 sheet, numbered from 1 to 0 inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me between the 23 day of April and the 24 day of April, 1972, that it truly and correctly represents the proposed location and extent of the works to divert water from Underground Source in Lander County, by Pearl M. Wrightman for irrigation purposes. That all other works or streams which are crossed by or connected with said works, and the boundary, area and kind of culture of lands irrigated, are correctly shown and designated hereon.
