I, Curtis W. Drollinger, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction on the 5th day of August 1970 and the 19th day of October 1970, that it truly and correctly represents the location and extent of the works used to divert water from underground sources, in White Pine County, by Lloyd King for irrigation and domestic purposes. That the points of diversion, the location and size of the diverting channel, all reservoirs or basins, the locations and names of all other works which cross or connect with the works, and the boundary of all lands, showing by 40-Acre subdivisions the areas irrigated, are fully and correctly designated thereon.
