State of Nevada
County of

Mark Chilton being first duly sworn deponent do hereby certify that this map consisting of one sheet has been correctly drawn to the designated scale from the original survey made under my supervision and direction on the 4th day of July 1973, that it truly and correctly represents the proposed location and extent of the works used to divert water from an UNDERGROUND SOURCE in ELKO COUNTY for IRRIGATION PURPOSES by BELL BRAND RANCHES under Application No. 23946. That the point of diversion, the location, size of the diverting channel, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under Application No. 23946 is used, together with the areas and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.
