I, J.V. Caselli, being first duly sworn, depose and say that this map consisting of 1 sheet, numbered from to inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me between the 12 day of Aug. and the 13 day of Aug. 1973, that it truly and correctly represents the proposed location and extent of the works to divert water from Underground Source, in Esmeralda County by Esmeralda County for recreation domestic irrigation purposes, under application N° 23976. That the point of diversion, location, size of diverting channel, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under Application N° 23976 is used together with the area and kind of culture in each 40 acre subdivision, the location and names of all other works or streams which are crossed or connected with said works are fully and correctly designated thereon.
