STATE OF NEVADA
County of Washoe

I, CLAUDE E. HUNTER, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale on an aerial photograph flown October 29, 1970 and from field notes of a survey made under my direction on September 30, 1970 and that it truly and correctly represents the location and extent of the works used to divert water from RABBIT CREEK, and a LOCAL SPRING, in ELKO COUNTY, by RUBY DOME RANCH for fish propagation purposes under application numbers 24489, 24490. That the point of diversion, the location, size of the diverting channel, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under application numbers 24489, 24490 are used and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.
