 County of Elko }

I, Alan S. Boyack, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction, on the 28th day of January, 1970; that it truly and correctly represents the proposed location and extent of the works used to divert water from an Underground Source in Lander County, by Milchem Incorporated for Mining and Milling purposes under Application No. 24552. That the point of diversion, the location, size of the diverting channel, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under Application No. 24552 is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.

Alan S. Boyack
 State Water Right Surveyor No. 358

Subscribed and sworn to before this 28th day of May, 1970
 Notary Public in and for Elko County, Nevada.
