I, Alan S. Boyack, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction, on the 16th day of September, 1970; that it truly and correctly represents the proposed location and extent of the works used to divert water from an UNDERGROUND SOURCE, in LANDER COUNTY, by PAULINE DEFOOR for irrigation purposes under Application No. 25054. That the point of diversion, the location, size of the diverting channel, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under Application No. 25054 is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.
