I, Wallace T. Bandy, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction between the 17th day of August and the 18th day of August 1972, that it truly and correctly represents the proposed location and extent of the works used to divert water from underground sources in County by Philip J. Carter for irrigation and domestic use under Application No. 25222. That the point of diversion, the location, size of diverting channel, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under application No. 25222 is used, together with the area and kind of culture in each 40 acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designed thereon.

Wallace T. Bandy
 State Water Right Surveyor

Subscribed and sworn to before me this 21st day of August, 1972.
