I, Gerald Brownfield, being first duly sworn, depose and say that this map, consisting of (2) two sheets has been correctly drawn to the designated scale from field notes of a survey made by me, between the 12<sup>th</sup> day of October, and the 26<sup>th</sup> day of October, 1984; that it truly and correctly represents the proposed location and extent of the works used to divert water from Incline Village General Improvement District sewage export pipeline in Douglas County, by Harry Schneider for Irrigation purposes, under Permit No. 25764-S-2. That the point of diversion, the location, size of the diverting channel, location and description of all measuring devices, the location and extent of lands owned by the applicant upon which water applied for under Permit No 25764-S-2 is used, together with the area and kind of culture in each 40-acre subdivision, and the location and name of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon

*Gerald Brownfield*  
 State Water Right Surveyor No. 714

Subscribed and sworn to before me this 17<sup>th</sup> day of December, 1984. Notary Public in and for Carson City, Nevada
