STATE OF NEVADA
COUNTY OF ESERALDA | SS

I, J.V. Caselli being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me (or under my supervision and direction) between the 5th day of October and the 6th day of October 1974; that it truly and correctly represents the proposed location and extent of the works used to divert water from Under-ground, in Esmeralda County by Robert E. & Caroline Hartman, for irrigation purposes under Applic. 25980. That the point of diversion, the location, size of the diverting channel, location & description of all measuring devices the location and extent of lands owned or controlled by the applicant upon which water applied for under Applic. N° 25980 is used, together with area and kind of culture in each 40 acre subdivision, and the location and names of all other works or streams which are crossed or connected with said works are fully and correctly designated thereon.
