I, Richard W. Forman, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction between the 29th day of May, and the 31st day of May, 1979; that it truly and correctly represents the location and extent of the works used to divert water from Mattier Creek, in White Pine County, by Eldon Jackson for irrigation purposes under Application No. 26224. That the point of diversion, the location, size of the diverting channel, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under Application No. 26224 is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.

Richard W. Forman
State Water Right Surveyor

Subscribed and sworn to before me this 15th day of June, 1979.

Marcia Forman
Notary Public in and for White Pine County, Nevada.
