County of Humboldt }

I, Robert N. Caldwell, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me or under my supervision August 1, 1979 that it truly and correctly represents the location and extent of the works used to divert water from underground in Humboldt county by Paul Miller for irrigation purposes under application no. 26839 that the point of diversion, the location and size of the diverting channel, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under application no. 26839 is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.

Robert N. Caldwell
State Water Right Surveyor No. 468

Subscribed and sworn to before me this 6th day of August, 1979.

Robert Caldwell
