 I, Walter G. Reid, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 23rd day of September, 1977, that it truly and correctly represents the location and extent of the works used to divert water from an underground source in Lyon County, by Norman T. Annett for irrigation and domestic purposes under Application No. 27317. That the point of diversion, the location, size of the diverting conduit, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under Application No. 27317 is used, together with the area and kind of culture in each 40-acre subdivision, and the locations and names of all other works or streams which are crossed by or connected with said works are and correctly designated thereon.

Walter G. Reid
 State Water Right Surveyor

Subscribed and sworn to before me this 4th day of Oct, 1977.
