I, WILLIAM F. PILLSBURY, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designate scale from field inspection and survey verification made by me on the 23rd day of June, 1977; that it truly and correctly represents the location and extent of the works used to divert water from the Wells, Nevada, sewage treatment plant, in Elko County, by Basil L. and Myrle Zink for irrigation purposes under Application No. 27518. That the points of diversion, the location, size of the diverting pipe, headgates, location and description of all measuring devices the location and extent of lands owned or controlled by the applicant upon which water applied for under Application No. 27518 is used, together with the area and kind of culture in each 40 acre subdivision and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.
