STATE OF NEVADA SS:  
COUNTY OF WASHOE

I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 16 day of December, 1974, that it truly and correctly represents the location and extent of the works used to divert water from an underground source in Washoe County by E. CLEVELAND CANEPA for irrigation and domestic purposes under this Application. That the point of diversion and the location and extent of the lands owned by the applicant upon which water is applied under this application is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works and streams which cross or connect with said works are fully and correctly designated thereon.

*Ernest E. Muller, Sr.*  
State Water Right Surveyor No. 273

Subscribed and sworn to before me this 13th. day of January, 1975.

*John Williams*  
Notary Public in and for Carson City, Nevada

Scale: 1 inch = 500 feet

Basis of Bearings — South line of SE  $\frac{1}{4}$  = West from GLO plat.  
Corners — Standard Brass Caps.
