I, Mark Chilton, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction on April 3, 1975; that it truly and correctly represents the proposed location and extent of the works used to divert water from an UNDERGROUND SOURCE in Elko County, by Area West, Incorporated, for QUASI-MUNICIPAL (Permit 25719) and RECREATION & DOMESTIC (Permit 25770) PURPOSES. That the proposed points of diversion, the approximate location and size of the diverting channel, all reservoirs and basins, the location and names of all works which will cross or connect with the proposed works, and the boundaries of lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

Subscribed and sworn to before me this 22nd day of Dec, 1975.
