

STATE OF NEVADA,
 COUNTY OF DOUGLAS SS.

I, B. J. Vasey, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 7th day of January, 1976, that it truly and correctly represents the proposed location and extent of the works used to divert water from developed springs in Douglas County, by ARNOLD R. TRIMMER and ANNIE I. TRIMMER for irrigation and domestic purposes. That the proposed point of diversion, the location and names of all other works which will cross or connect with the proposed works, and the boundry of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

B. J. Vasey

Subscribed and sworn to before me this 15th. day of January, 1976
 Notary Public in and for Douglas County, Nevada.
