I, B. J. Vasey, being first duly sworn, depose and say that this map, consisting of one (1) sheet, has been correctly drawn to the designated scale from field notes of a survey made by me, on the 25th day of August, 1980, that it truly and correctly represents the location and extent of the works used to divert water from an UNDERGROUND source in DOUGLAS COUNTY, by HERBERT P and ELINOR M WITT for IRRIGATION and DOMESTIC Purposes. That the point of diversion, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under Permit No. 30232 used together with, the area and kind of culture in each 40-acre subdivision, and the location and names of all other works which are crossed by or connected with said works are fully and correctly designated thereon.
