I, Robert N Caldwell, being first duly sworn, depose and say that this map, consisting of 1 sheets, has been correctly drawn from field notes of a survey made by me during March, 1979, that it truly and correctly represents the location and extent of the works used to divert water from underground in Humboldt County by James W. and Dorothy M. Wallace for irrigation purposes under Permit Nos. 30980 and 30981. That the point of diversion, the location and size of the diverting channel, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under Permit Nos. 30980 and 30981 is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully designated thereon.
