I, Donald F. Anderson, being first duly sworn, depose and say that this map, consisting of one sheet, has been drawn to the designated scale from field notes of a survey made by me between the 6<sup>th</sup> day and the 15<sup>th</sup> day of July, 1977, that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Lyon County, by Intermountain Exploration Company for mining and milling purposes. That the proposed point of diversion, the location of the mine and mill, the approximate size and capacity of the diverting conduit and the location and names of all other works or streams which are crossed by, or connected with, said works, are correctly and fully designated thereon.

*Donald F. Anderson*  
 State Water Right Surveyor

Subscribed and sworn to this 28<sup>th</sup> day July, 1977  
*Shirley Anderson, County Clerk.*
