I, Lawrence A. Bogdan, being first duly sworn, depose and say that this map, consisting of one sheet numbered from 1 to 1 inclusive has been correctly drawn to the designated scale from field notes of a survey made by me or under my supervision and direction, on the 24<sup>th</sup> day of July, 1980, that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Washoe County, by Black Springs Water District for quasi-municipal purposes under permit No. 34012. That the point of diversion, the location and extent of lands owned or controlled by the applicant upon which water, applied for under permit No. 34012, is used, are fully and correctly designated thereon.
