STATE OF NEVADA - S.S.
 COUNTY OF WASHOE - S.S.

I, REECE C. HARPER, being first duly sworn, depose and say that this map, consisting of (1) sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction, on May 16, 1977, that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source, in Washoe County, by Pratt Properties INC, for irrigation and domestic purposes. That all other works or streams which are crossed by, or connected with, said works, the profile and cross-sections of the diverting channel and the description and size of the power unit are correctly shown and designated hereon.
