

I, BRUCE R. SCOTT, being first duly sworn, depose and say that this map, consisting of one (1) sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction, on the 8th day of February, 1978; that it truly and correctly represents the proposed location and extent of the works used to divert water from an UNDERGROUND SOURCE in CARSON CITY, by GEORGE ZAPPETTINI, for IRRIGATION and DOMESTIC purposes under Application No. 28091. That the point of diversion, the location and extent of lands owned or controlled by the applicant upon which water is used, together with the area and kind of culture in each 40-acre subdivision, are fully and correctly designated thereon.

Bruce R. Scott
STATE WATER RIGHT SURVEYOR NO. 427
