I, John H. That the point of diversion, the location and size of the diverting channel, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under Application No. 35075 is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.

Basis of Bearings shown on this map is government plats dated 1875 and 1962.

Subscribed and sworn to before me this 19th day of July, 1982.
