

STATE OF NEVADA SS:
 COUNTY OF WASHOE

I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 5th. day of December, 1988; that it truly and correctly represents the proposed location and extent of the works used to divert water from Browns Creek and Tributaries in Washoe County by JACQUES MORVAY and ETHEL MORVAY for IRRIGATION purposes as decreed under Proof No. 02764 and under Application No. 35694. That the point of diversion, the location, size of the diverting conduit, location and description of all measuring devises, the location and extent of lands owned or controlled by the applicant upon which water applied for under Application No. 35694 is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.

Ernest E. Muller, Sr.
 State Water Right Surveyor No. 702

Subscribed and sworn to before me this 22nd. day of December, 1988.

Janis K. Gerhard
