I, B. J. Vasey, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction on the 17th day of December 1980, that it truly and correctly represents the proposed location and extent of the works used to divert water from Ellis Spring in Douglas County by Darwin K. Ellis, Elizabeth D. Ellis, Darwin V. Ellis and Linda T. Ellis for irrigation and domestic purposes under permit 36087. The proposed point of diversion and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated hereon.
