I, John H. Milton III, being first duly sworn, depose and say that this map, consisting of one sheets, numbered from 1 to 1, inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me, (or under my supervision and direction) between the 20th day of January, and the 20th day of January 1923; that it truly and correctly represents the location and extent of the works used to divert water from Underground, in Humboldt County, by Richard & Teresa L. Braun for irrigation purposes under Application No. 41970. That the point of diversion, the location and size of the diverting channel, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under Application No. 41970 is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.

Subscribed and sworn to before me this 21st day of January, 1923.
