

STATE OF _____ s. s.
 COUNTY OF _____

I, Bruce L. Rice, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on June 15, 1980 (Father's Day) that it truly represents the proposed location and extent of the works used to divert water from an underground source for irrigation purposes under Permit 35261. That the point of diversion, the location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under Permit 35261 is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.

Bruce L. Rice
 State Water Right Surveyor

Subscribed and sworn to before me this 2nd day of Sept, 1980,
 Notary Public in and for Carson City, Nevada.

John Williams
