

State of Nevada
County of Clark SS.

I, Karsten T. Bronken, being first duly sworn, depose and say that this map, consisting of one sheet, numbered from 1 to 1, inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me, (or under my supervision and direction) between the 1st day of August, 1987 and the 2nd day of August, 1987, that it truly and correctly represents the location and extent of the work used to divert water from an Underground Source in Lincoln County, Nevada, by James Franklin for irrigation purposes under Application No. 49217 that the point of diversion, the location and size of the diverting channel, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under Application No. 49217 is used, together with the area and kind of culture in the 40.00 acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.

Karsten T. Bronken
State Water Rights Surveyor No. 555

Subscribed and sworn to before me
this 5th Day of August, 1987.

H. Paul Stevens
Notary Public
