

STATE OF NEVADA SS:
 COUNTY OF WASHOE

I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 23rd day of April, 1995, and that it truly and correctly represents the proposed location and extent of the works used to divert water from underground sources in Eureka County by Devils Gate Water Users Coop. for Quasi Municipal and Domestic Use under Permits No. 49924, 49925 and 49926. That the points of diversion, the location of the diverting conduits, the location and extent of the lands owned or controlled by the applicant upon which water applied for under Permits No. 49924, 49925 and 49926 is used, together with the present use of the residential lots, and the location and names of all other works or streams which are crossed by or connected with works are fully and correctly designated thereon.
