I, Bruce R. Scott, being first duly sworn, depose and say that this map, consisting of one sheet, has been drawn to the designated scale from field notes of a survey made under my supervision on the 9th day of May, 1986, and record information on file at the Division of Water Resources. That it truly & correctly represents the proposed location & extent of the works used to divert water from an underground source in Carson City, Nevada by John R. Mc Manus for irrigation & domestic purposes. That the existing & proposed point of diversion & the boundary of all lands, showing by 40-acre subdivisions the areas where the water is to be used, are fully & correctly designated hereon.
