STATE OF NEVADA SS:
COUNTY OF WASHOE

I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from Truckee-Carson Irrigation District Records, that it truly and correctly represents the existing place of use and the proposed place of use for water from the Truckee River and the Carson River in Churchill County by Wayne Whitehead for Irrigation Purposes. The Point of Diversion, Lahontan Dam, is unchanged, and the boundaries of all lands is shown by 40-acre subdivisions for the areas proposed to be irrigated are fully and correctly designated thereon.

Subscribed and sworn to before me on this 3rd. day of November, 1997.
