

STATE OF NEVADA  
COUNTY OF WASHOE SS:

I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 10th. day of June, 1992; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Humboldt County for irrigation purposes by Leslie or Laura McKernan under Application No. 51419; that the point of diversion, location and description of all measuring devices, the location and extent of the lands owned or controlled by the applicant upon which water applied for under Application No. 51419 is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streames which are crossed by or connected with said works are fully and correctly designated thereon.
