I, Kenneth L. Woodward, being first duly sworn, depose and say that this map, consisting of 1 sheet, has been correctly drawn to the designated scale from the data and information contained on "Map to Accompany Application to Appropriate Supplementary Water for Irrigation by The Church of Jesus Christ of Latter-day Saints from an Underground Sources in Lincoln County" prepared by and under the certification of C. Steve Deal, State Water Right Surveyor No. 790, and filed in support of Application 52120, that I inspected the project on May 24, 1995, examined the diversion works, measuring device, distribution system, together with the area and kind of culture served in each 40-acre subdivision, and that this map truly and correctly represents the location of the underground source in Lincoln County, Nevada under Permit 52120, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.
