I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from Truckee - Carson Irrigation District records under my direction, that it truly and correctly represents the existing place of use and the proposed place of use for water from the Truckee and Carson Rivers in Churchill County by WAYNE WHITEHEAD for irrigation purposes. The point of diversion, Lahontan Dam, is unchanged, and the boundary of all lands shown by 40-acre subdivisions the areas proposed to be irrigated are fully and correctly designated thereon.
